

Policy 2.7. Identify Theft and Privacy

Procedure 2.7.2. Privacy Protection Protocols

Created February 4, 2020

In accordance with Policy 2.7, the College provides this guidance on information gleaned from your visit to the SCC website. The level and type of information received depends on how you navigate our website.

LIMITATION ON SCOPE OF CONTENT

The SCC website contains information regarding SCC, its educational programs/offerings, and training services. Pricing information referenced herein is expressed in U.S. dollars.

NO REPRESENTATION OR WARRANTY

SCC reserves the right to modify the information contained in this site at any time without any notice. The College makes all reasonable efforts to ensure that the information is current and accurate, but that status cannot be guaranteed. SCC assumes no responsibility for accuracy, completeness, or authenticity of information contained in this site.

This website and all information and/or materials contained herein is provided to visitors "as is," without any warranty of any kind. This site may contain hypertext links to other websites which operate completely independent of this site. Thus, SCC makes no representation or warranty as to the accuracy, completeness or authenticity of information contained in any hypertext link, and any hypertext link to another person or entity shall not in any manner be construed as endorsement by SCC related to such person's or entity's World Wide Web site (or other such site), products, or services. Visitors to the SCC website linking to any other site or pages or other sites does so at the user's own risk.

SCC cannot guarantee an individual's confidential use of this website, and the College is not responsible for any harm that the user or any person may suffer as a result of a breach of confidentiality in respect to that person's use of this site or any information that a person has transmitted to this site.

SCC makes every effort to ensure the secure collection and transmission of sensitive user information using industry accepted data collection and encryption methodologies such as SSL (Secure Sockets Layer) and PGP (Pretty Good Privacy). The information website visitors use the College to improve the services we provide each party is never provided to any other company for that company's independent use.

USE OF COOKIES

Cookies are pieces of information that a site transfers to an individual's hard drive for record keeping purposes so that the website can track site and user activity. The use of cookies is an industry standard and SCC website users will find them at most sites. By showing how and when visitors use the site, cookies help the College track better which areas of the website are popular and those which are not. Many improvements and updates to the site are based on the total number of visitors and pages viewed. Most browsers are initially set to accept cookies. If a user/visitor would prefer, the visitor can set
